

Manage bill payments with **security, confidentiality, and convenience**

Our firm partners with Bill.com, the leading business payments service, to manage the complexities of your bill payment needs.

A background image showing three business professionals in a meeting, looking at a laptop screen. The image is faded and serves as a backdrop for the text.

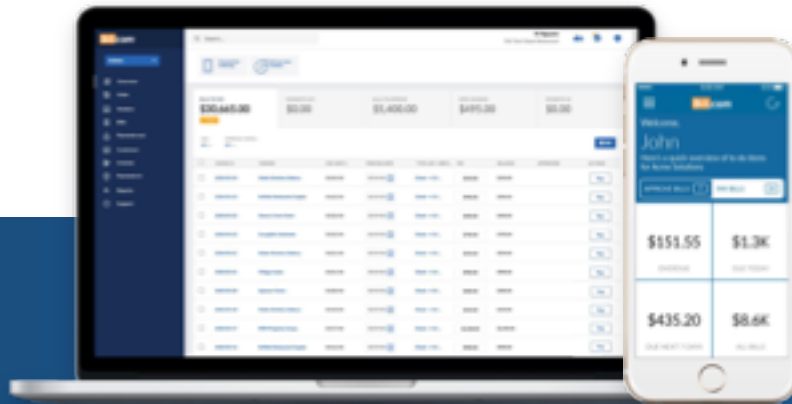

Together, we ensure the highest levels of security balanced with your preferred level of control and involvement in the bill pay process.

Bill.com is used and trusted by the best for over 10 years.

- Over 50% of the top-100 accounting firms
- Business payments solution for 4 of the top-10 banks
- 3 million network members use Bill.com to pay and get paid electronically
- More than \$50 billion exchanged in payments annually

The benefits of **Bill.com**

The bill payment information you need—just clicks away

With a few clicks, you can view a full audit trail for all Bill.com transactions, a history of payments and approvals, and important documents – *all in one solution.*

Access and control on the go

The Bill.com mobile app enables you to approve, question, or view the history of payments no matter where you are. Designate a threshold amount for approving expenses for Bill.com, and let others handle the rest.

Bank-Level Security

Bill.com offers a secure, confidential solution to manage payments. Your bank and business information is not exposed and no individual requires access to your bank account to make payments.
